Dear Friends:

On behalf of the Misericordia Executive Team and the Misericordia Women's Board, we are thrilled to welcome you to the 2022 Misericordia Heart of Mercy Ball. This evening is certainly a long time coming!

We are deeply grateful to every member of our Women's Board, past and present. We sincerely thank Women's Board President, Sharon Taylor for her devotion to our mission and her remarkable leadership in guiding the Women's Board these past two years. To our Co-Chairs, Julie Carpenter and Ann O'Hara, we are blessed with their vision for this beautiful evening that reflects the spirit of Misericordia in every detail. Finally, thank you to the dedicated and creative committee members, whose handiwork is evident throughout this affair.

Each year the ladies of the Women's Board work tirelessly to help Misericordia reduce its annual deficit of \$25 million and help to fund our future expansion plans. Their success in raising the private dollar supports Misericordia in becoming a reality for the many families who want a Misericordia and need a Misericordia for their most vulnerable family member.

Tonight, we honor some very special members of our Misericordia Family. The Heart of Mercy Award is being presented to our good friend Ed McGowan. As the former President and co-founder of Edon Construction, Ed has been a friend and supporter of Misericordia's expansion efforts for more than 25 years. His remarkable generosity and resources have truly made a difference in the lives of our residents. We remember tonight in loving memory, Ed's dear wife, Jacqueline, and his son, Jim. The Sister Rosemary Connelly Medallion is presented this evening to Marcy O'Keeffe Twardak, an amazing Misericordia ambassador for more than 20 years who has introduced countless people to Misericordia through her network at Corboy & Demetrio by enlisting colleagues, family and friends to the mission of Misericordia. The Pillars of the Community is presented this evening to our longtime loyal friends – Dorothy & Ed Wehmer and Wintrust Financial Corporation. For more than three decades, Dorothy & Ed and Wintrust have been passionate supporters of numerous Misericordia events. Their generosity and friendship are deeply valued.

We are blessed to have a community of believers who stand with us during challenging times, celebrate our good fortune and share in our mission.

Thank you for supporting our Misericordia Women's Board. In being here tonight you join us in accepting the privilege of sharing in the Divine Mystery of Misericordia's past, present and future.

Blessings of good health and hope for the future.

Dear 2022 Heart of Mercy Ball Attendees,

I am so grateful to welcome you all to this beautiful Gala here at the Hilton. We are delighted to be back out in one of our favorite venues. Since we were last together, Misericordia has formed a Foundation to support the mission of Misericordia Home. We pay tribute to Sister Rosemary and Lois who head up the work of that Foundation. Tonight's event goes a long way in supporting the work of the Foundation and thus Misericordia.

We come together this evening to celebrate Misericordia, but more importantly to thank the Women's Board and to honor four very special friends of the Home. It is my honor to congratulate Ed McGowan, Marcy Twardak, and Dorothy and Ed Wehmer. These are four wonderful friends of Misericordia and we are so grateful to them for accepting this honor tonight. I have known Ed and the Wehmers since coming to Misericordia 22 years ago. I have known Marcy since the late 70s when she began dating one of my college dorm mates. How blessed we are by the support of these four wonderful people. It is great to honor them for their generosity.

Tonight, we also give thanks to God who has been our most faithful supporter. Throughout the pandemic, we relied on His help to keep our residents and staff safe. It has been a long and challenging road, but with God's help we have made it. How very blessed we have been. Without the support of evenings like tonight, we could not have done it. Your financial support got us through the dark days of the pandemic as supplies and bonuses were needed to keep the operation Going Strong! Thank you, Thank you. We are forever grateful for your support.

God's Blessings,

CARDINAL BLASE J. CUPICH,
Archbishop of Chicago

Dear Friends,

Greetings as you gather for Misericordia's Heart of Mercy Ball hosted by the Women's Board of Misericordia.

Misericordia began a new chapter in its remarkable history with the establishment of the Misericordia Foundation with Sister Rosemary Connelly, RSM, as Chairman, Lois Gates as Executive Director, and Father Jack Clair becoming the President and Executive Director of Misericordia Home. Their transition to these new roles bodes well for the future of Misericordia's mission and stewardship. Sister Rosemary's visionary leadership, and the extraordinary expertise of Lois Gates with over five decades of service and Father Jack Clair with over two decades of ministry and service at Misericordia, positions this core ministry of the archdiocese in good stead for the future.

Misericordia is also well known for the steadfast dedication of its many volunteers and benefactors. Together with the Women's Board, I thank and congratulate the 2022 honorees: Edward McGowan, recipient of the Heart of Mercy Award; Marcy O'Keeffe Twardak, recipient of the Sister Rosemary Connelly Service Medallion; and Edward and Dorothy Wehmer, recipients of the Pillars of the Community Award. We are profoundly grateful to these distinguished honorees for their leadership, service and generosity.

Special thanks as well to the Misericordia Women's Board, its President, Sharon Taylor, and the 2022 Ball Chairs, Julie Carpenter and Ann O'Hara, for their diligent efforts in planning and hosting the ball. Thanks to all of you for your presence here this evening as those who support and celebrate Misericordia's mission to provide a full continuum of loving care for the children and adults who call Misericordia home and its advocacy and witness in our society on behalf of people with developmental and intellectual disabilities. May God bless the residents and their families, the dedicated staff and volunteers, and all of you. With gratitude and good wishes, I am,

Sincerely yours,

Dear Friends:

On behalf of the City of Chicago, I am honored to welcome all those gathered for Misericordia's 2022 Heart of Mercy Ball.

Since its founding in 1921, Misericordia has provided comprehensive support and services to developmentally disabled children and adults. Misericordia offers their residents a number of residential options on its 31-acre campus and surrounding community and a wide array of innovative social, professional, and recreational opportunities that help children and adults from all backgrounds achieve independence and reach their greatest potential in a safe and inspiring environment.

This year's Ball, themed "Hearts + Home United!" presents the opportunity to come together to celebrate the accomplishments of the past year and recognize the dedication of all participants, staff, and friends of Misericordia while also looking ahead to the future. I am proud to congratulate Ed and Dorothy Wehmer, this year's *Pillars of the Community* recipients; Marcy Twardak, this year's *Sister Rosemary Connelly Service Medallion* recipient; and Ed McGowan, this year's *Heart of Mercy Award* recipient for their ongoing efforts and philanthropy. I commend Misericordia for an indelible legacy of uplift that has empowered generations and will continue to enrich many more.

I hope your event is memorable and enjoyable. Best wishes for continued success.

Sincerely,

Dear Friends of Misericordia,

On behalf of the Misericordia Women's Board, it is my pleasure to thank you for joining us to celebrate Misericordia. After two years of virtual Balls, it is wonderful to, once again, be here tonight in person.

We are especially grateful to our 2022 Honorees: Edward McGowan, Marcy O'Keeffe Twardak, and Ed and Dorothy Wehmer of Wintrust Financial Corporation. Our Honorees have a long history of dedication and commitment to the mission of Misericordia. We thank them for their positive impact on the lives of so many residents.

Tonight we toast the Misericordia Foundation's new Chairman, Sister Rosemary Connelly, and its Executive Director, Lois Gates, as well as Misericordia's new President and Executive Director, Father Jack Clair.

This special evening could not have taken place without the commitment of our Women's Board, and in particular, our Ball Chairs, Julie Carpenter and Ann O'Hara. Their hard work and creativity have made this a beautiful and inspirational evening. Thank you both.

It has been my honor to serve on the Women's Board and be part of the Misericordia Family. Your presence at the Ball and your support make you part of the Misericordia family too. It is our hope that you will share Misericordia's mission with your family, friends and business associates. Together we can help Misericordia continue to serve and grow in its second century.

Have a wonderful evening!

Sharon Taylor

Sharon D. Taylor
President
Misericordia Women's Board

Greetings from your Heart of Mercy Ball Chairs,

The Misericordia Women's Board is excited to welcome back guests to the Hilton Chicago for its first live Heart of Mercy Ball since our last in-person gala in 2019. Hearts + Home United! brings us together to celebrate both people and place, as we recognize our distinguished honorees and highlight Misericordia's beautiful homes that provide a loving environment, quality of life and a continuum of care for more than 600 residents.

It is an important and pivotal time for Misericordia as it looks to its second century. Plans are underway for a new residential development, Sister Rosemary Park, and the recent creation of Misericordia Foundation will exclusively help sustain the future of Misericordia Home. The 2022 Heart of Mercy Ball celebrates these significant developments, while raising funds for Misericordia Foundation in support of Sister Rosemary Park and the vital staffing needs that go beyond the bricks and mortar to help make loving, safe, and comfortable homes for Misericordia residents.

We extend our heartfelt gratitude to our committees and especially thank our Board President, Sharon Taylor, for her kindness, wisdom, and countless hours shared, helping to guide us toward this lovely evening. The Women's Board is forever appreciative of Misericordia's Development team - Lois Gates, Julie O'Sullivan, Anne Mills, Martha Floberg, Dorie Finnegan and Rose Martin who contributed time and energy beyond measure to help make the Ball a success.

The Heart of Mercy Ball would not be possible without the generous support of our sponsors and you, our valued guests, plus the many donors from afar who cannot be with us tonight. The Women's Board gives special thanks to our Presenting Sponsors - The Family of Tricia McGee, and 2022 Heart of Mercy Ball Honoree, Edward McGowan, whose generosity and belief in Misericordia's mission set the tone for bountiful giving to benefit an organization that is so close to all of our hearts.

With gratitude -

“We feel so blessed that we are agents that the Lord is using to provide loving homes for the residents, and caring staff that values them and sees them as people that deserve the very best.”

SISTER ROSEMARY CONNELLY, CHAIRMAN, MISERICORDIA FOUNDATION

Misericordia's Newest Residential Development

A primary focus for fundraising at the 2022 Heart of Mercy Ball is a new three-acre residential development named Sister Rosemary Park. The development includes plans for 16 new homes, which will be crucial in fulfilling Sister Rosemary's desire to reach out to families on Misericordia's wait list.

"Every time we grew and developed more homes, it was to meet an unmet need. That is why God has blessed us so generously, it is because everything we do is to meet an unmet need."

*Awards Presented by
the Misericordia Women's Board
at the Heart of Mercy Ball*

Starting in 1983, the Misericordia Women's Board has chosen a recipient for the Heart of Mercy Award every year. The award honors individuals who have made outstanding contributions to Misericordia.

In 1990, the Women's Board added the Sister Rosemary Connelly Service Medallion. The award honors volunteers who have made significant contributions to our children and adults at Misericordia.

In 2014, the Women's Board introduced the Pillars of the Community Award to honor a company or foundation for extraordinary support of the mission of Misericordia.

*Congratulates
Edward McGowan
Heart of Mercy Award*

Misericordia is delighted to honor our good friend Ed McGowan with the 2022 Heart of Mercy Award. Ed is the former President and co-founder of Edon Construction Company, Inc., and was key in the success and growth of the company and its prominent reputation in the industry. For more than 25 years, Ed has been a friend and generous supporter of Misericordia's expansion efforts. This includes the building of the McGowan Home on our campus, which bears his family's name, and is home to 16 residents with intellectual and developmental disabilities.

Ed has also generously and loyally supported our fitness, sports and recreation programs with his good friend and past honoree, John Dyer. There is no question that we would not have the Misericordia you see today without Ed McGowan's help!

Congratulates

Marcy O’Keeffe Twardak

*Sister Rosemary Connelly
Service Medallion*

The Twardak Family’s involvement at Misericordia began with a need for service hours at St. Ignatius College Prep. Their oldest daughter volunteered with Misericordia residents in the Aquatic and Fitness Center a few times a week. They wanted to become more involved as a family, so they began volunteering at our annual Christmas Brunches – and have now been a part of the Misericordia family for more than 20 years! Marcy began the “First Sunday of the Month Club” where she coordinated a group of 150 women to volunteer in our Greenhouse Inn on the first Sunday of every month. Her volunteers have no affiliation with Misericordia other than their love for our mission, affinity for our residents and admiration for our beloved Sister Rosemary.

Marcy, who serves as the CFO of Corboy & Demetrio, is the ultimate ambassador for Misericordia. She created a shopping night that has served as the kick-off party for Misericordia’s Holiday season for over a decade, as well as Spring Fling shopping nights. She has invited hundreds of friends and colleagues to Misericordia to introduce them to our mission. Marcy is a true believer in the magic of Misericordia and continues to expand her efforts year after year.

Congratulates

Wintrust

Dorothy & Ed Wehmer

Pillars of the Community Award

For almost three decades, the Wehmers have been true friends to the mission of Misericordia. They have supported us in so many of our endeavors and, it is our great honor to know them and to have them be a special part of our Misericordia family. Both Dorothy and Ed have been passionate supporters through their financial resources, their time and talents, and their gift of friends. They have truly made a difference not only at Misericordia but also in so many other lives.

Ed is founder and CEO of Wintrust Financial Corporation, and Dorothy has long been dedicated to the mission of Misericordia through various leadership positions on the Women’s Auxiliary, including serving as its president in 2000. Through their example, they have taught their children to be involved, caring and compassionate as longtime supporters of our Misericordia Family Association Dinner Dance, Candy Days, Artist in All Exhibit and our Young Professionals group. We are blessed to claim their entire family as our own. In addition to the entire Wehmer family, we personally thank Wintrust Financial Corporation for their continuous devotion to the mission of Misericordia.

A primary focus at the 2019 Heart of Mercy Ball was to fundraise for a new bakery and café near campus to provide exciting employment opportunities for Misericordia residents. We are proud to announce that The Hearts & Flour Bakery and Café opened in April 2022 in a new three-story building. The first floor houses the bakery and café, where residents work side-by-side with staff at jobs tailored to meet their abilities. The second floor is an art studio and the third floor houses the coffee packaging program.
